We are the path

Seminar - Open to all

Conductor: Elisabetta Raspini

Invitation to meet in the name of Those who guide and assist us from the world of Souls. Let us gather to create together a space of love and contact with the Realms of our true self. Let us be inspired and filled with all we need to fulfill our part as conscious co-creators of a soul inspired life on earth.

We will explore and connect with the energy of Synthesis, and its applications to all fields of human endeavor, particularly Wisdom applied to Service (to the evolutionary plan, to group development, to humanity, to the Kingdoms of nature, to our planet), in service of the common good.

24th September (4.30 pm) – 27th September (1.00 pm)

Place: Igeia

Wesak Celebration

The Light of consciousness opening to the manifestation of the Good

Three days service experience and psychospiritual work.

The full moon of Taurus, or the Wesak Festival, can be considered the most important spiritual event of the year. It is celebrated in many countries around the world and is connected to Lord Buddha and the Christ. Wesak offers Light and Vision on the Path, both at individual and group levels. It is an occasion to strengthen inner certainty and stability that will then develop into creative work and a willingness to embrace renewal.

Join the Wesak Festival 2023 online or in presence in the afternoon of May 4th, 5th and 6th.
